

Replace each number with a single word that fits in the sentence.

(Hard mode: fill in the words without looking at the options on page 2.)

Julia and James had a church wedding in the early spring. For their honeymoon they went to a (1) in the Greek islands. It was a very modern (2) and there was even a swimming pool on one of the (3). They had an enormous (4) with a bathroom and a bedroom. Julia was a bit (5) about travelling by ship, because she'd seen the film Titanic a few weeks before. She wanted to (6) that there were enough lifejackets and lifeboats before they left the port just in anything (7) wrong.

For some reason James found this very (8) and they started to (9) the most terrible rows on the very first day. Julia could hardly believe that this was the man she had (10) in love with a year before. He had never shown any sign of being so (11) when they were just going (12) together. She began to (13) ever having married him.

To make matters even worse, James started to (14) with some of the younger women on board. He danced with one of these women all evening on the last night and that made Julia decide that the only solution was to split (15) with James and start her life all over again.

(1)	voyage	cruise	travel	journey
