

Mecha Revolution

Director:

Kristián Chorvát, 536351

Target Audience:

Mecha revolution is targeted at gamers who enjoy action RPGs, particularly those who appreciate deep customization, challenging combat, and a rich narrative.

Target Platform:

PC

Genre:

Action RPG with Mecha Combat elements

Gamer Type:

Achiever, explorer

Project Release Date:

2024/25

High Concept Statement:

Dive into a post-apocalyptic dystopia where humanity's survival hinges on powerful mechs. Customize, fight, and confront moral dilemmas in this gripping action RPG.

Unique Selling Points:

- **Mech Warfare:** Mecha revolution offers fast-paced combat. Customize your mech's weapons, abilities, and appearance.
- **Epic Storyline:** Submerge yourself in a grasping story as you reveal the mysteries of a post-apocalyptic dystopian world loaded up with interest, risk, and moral problems.

Main Features:

Game Mechanics:

- Engaging combat with various weapons.
- Mech customization with a wide range of weapons, armor, and abilities.
- Skill tree progression system.
- Exploration of a post-apocalyptic world.
- Quests, side missions, and NPC interactions.

Visuals, Physics, Audio:

- High-quality, detailed mech and enemy designs.
- Physics-based combat mechanics, emphasizing impact and destruction.
- Immersive sound design with dynamic mech and environment sounds.
- Cinematic cutscenes to enhance storytelling.

Priority Levels (MoSCoW Method):

- Must-Have: Engaging combat, Mech customization, Skill tree progression.
- Important: Exploration of open world, Quests, Side missions.
- Nice to Have: Dynamic physics, Cinematic cutscenes.
- Idea for Later: Co-op multiplayer, Customizable combo creation

Team roles:

- Coders (everything)
- Artists (3D, UI, animations, effects)
- Designer / Tester (quests, balancing, enemies, skills, RPG progress, battle system, mech customization)
- Writers (dialogs, story plot, branching)

Game Loop:

Kill – upgrade – progress

Mood-board:

Nier Automata (game) – similar camera + fighting

Titan quest (game) – similar camera + abilities

Pacific Rim 2 (film) – similar graphics

DAEMON X MACHINA – similar camera / fighting / feel
