1

Fear. Why do we like it? There is something thrilling about the dark hallway. The feeling that you're being watched. Some of us dread to admit it, but fear is scary. Whether you like it or not, the sensations are the same to all of us. Just like some of us would ride the biggest rollercoaster without hesitation, some people just don't like it.

Let's admit it. We like to be safe. But we also like to feel like we're not. There is a fine line for each and every one of us.

It is upon us to figure out whether we want to move that line, or keep living in our comfort zone.

There is nothing to be ashamed of. Go double check if you've locked your front door. Turn on all the lights in your house upon hearing that weird noise your fridge makes every once in a while. Make sure that there is no one else in the house and you're alone...

you are alone, right?
