General Tips

Are you new in traveling with the pet? Are you not sure what rules and restrictions apply on traveling with pet in the Czech Republic?

That's why you have this guide!

- You'll need leash and muzzle or some carrier box. Let your pet adapt to this, so they don't feel uncomfortable and your trip will be much easier.
- Don't forget to bring water and bowl and some snacks, so you can reward your pet and keep them hydrated.
- Think about current condition of your pet, so you don't spend half of the trip carrying your them.
- Make sure that the place you want to visit is really pet friendly. Places as churches and museums are usually not one of them.
- If you have well trained pet a lot of people will let you even to place marked as forbidden for pets.
