

Ošetření svalů na horní končetině

Mm. interossei dorsales manus

Mm. interossei palmares manus

Mm. lumbricales

M. adductor pollicis

M. abductor pollicis brevis

M. opponens pollicis

M. flexor pollicis brevis

M. abductor pollicis longus

M. flexor pollicis longus

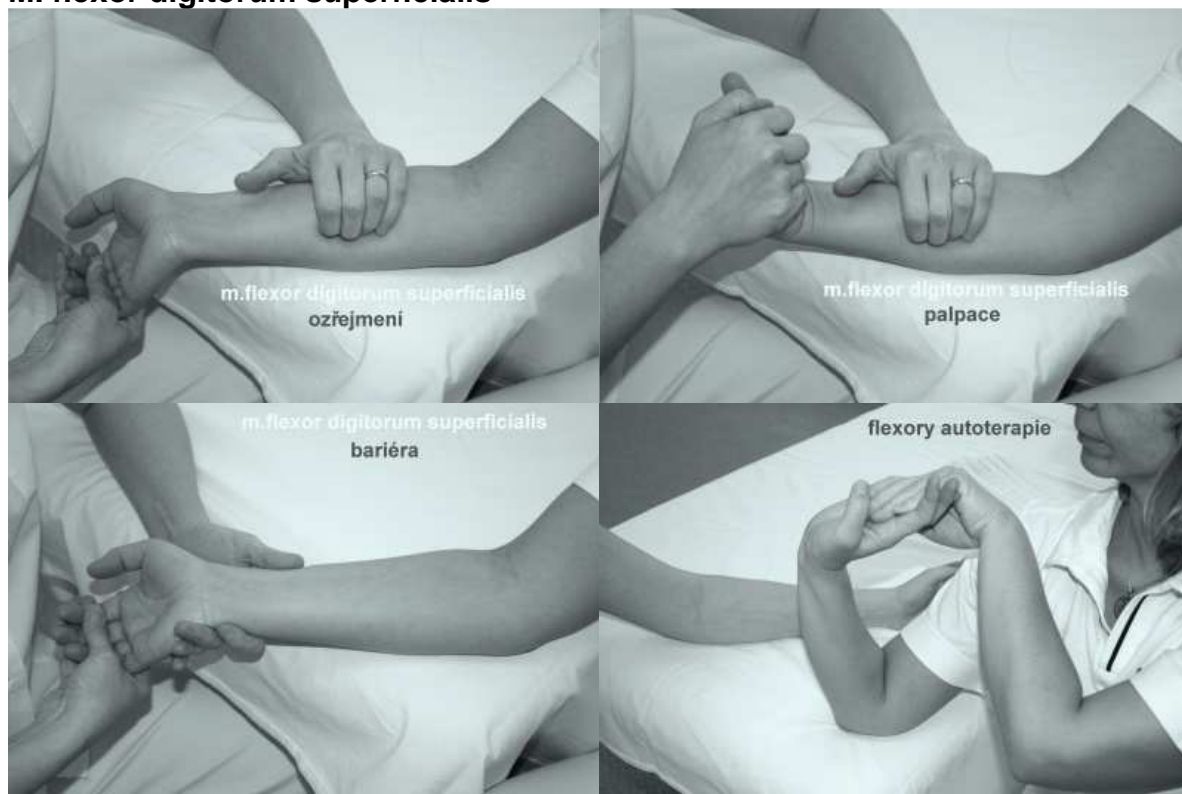

M. extensor pollicis brevis

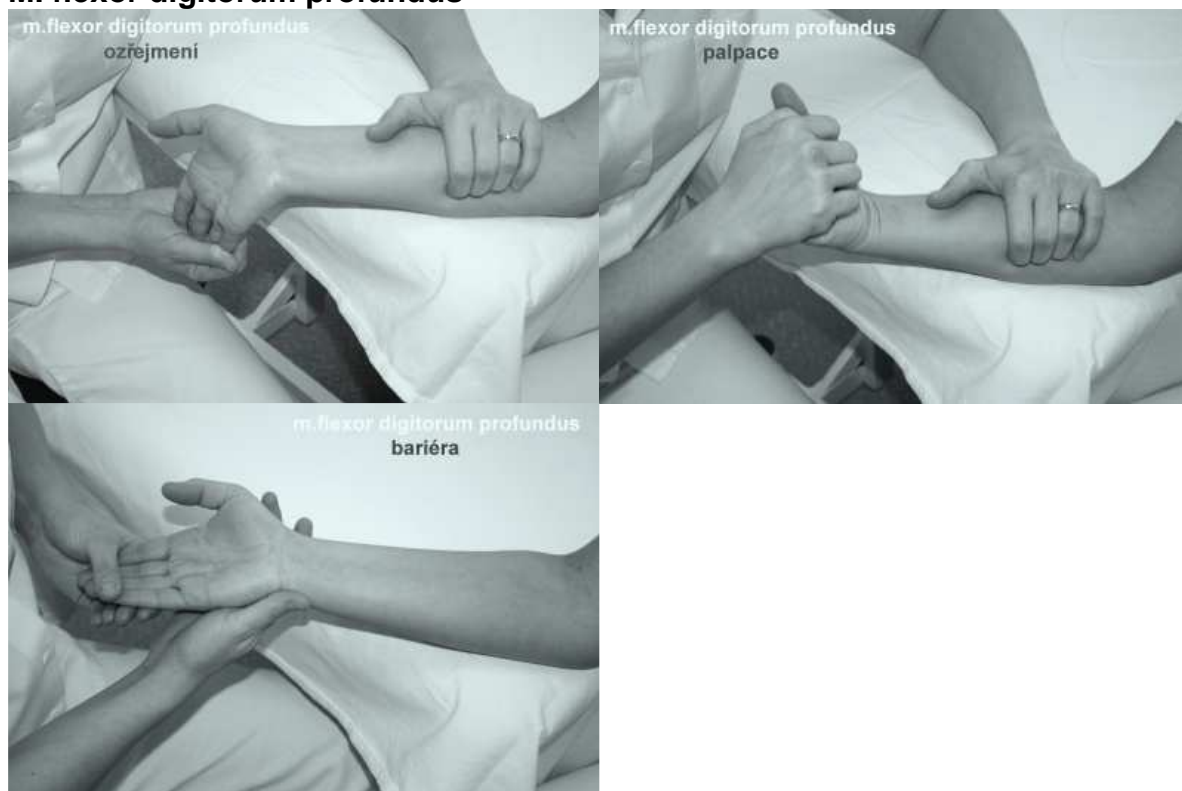

M. extensor pollicis longus

M. flexor digitorum superficialis

M. flexor digitorum profundus

M. flexor carpi radialis

M. flexor carpi ulnaris

M. palmaris longus

M. brachioradialis

M. extensor carpi radialis longus

M. extensor carpi radialis brevis

M. extensor carpi ulnaris

M. extensor digitorum

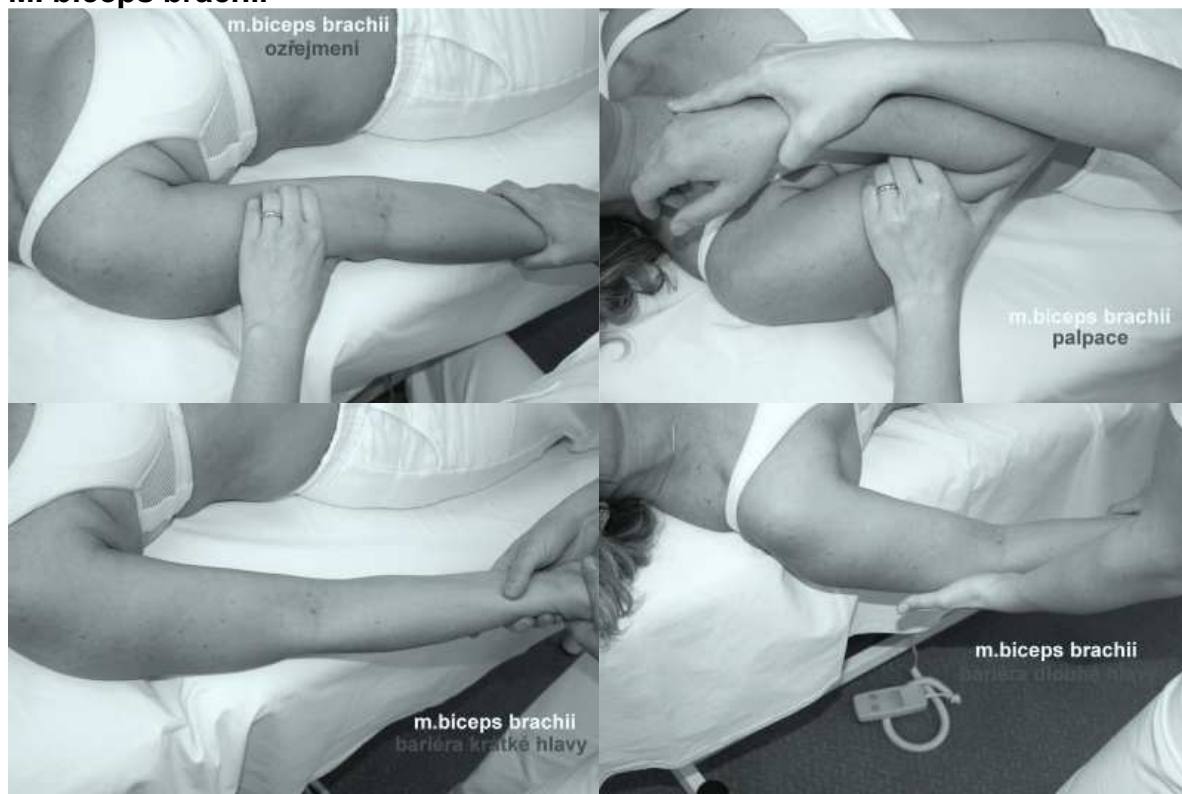

M. pronator teres

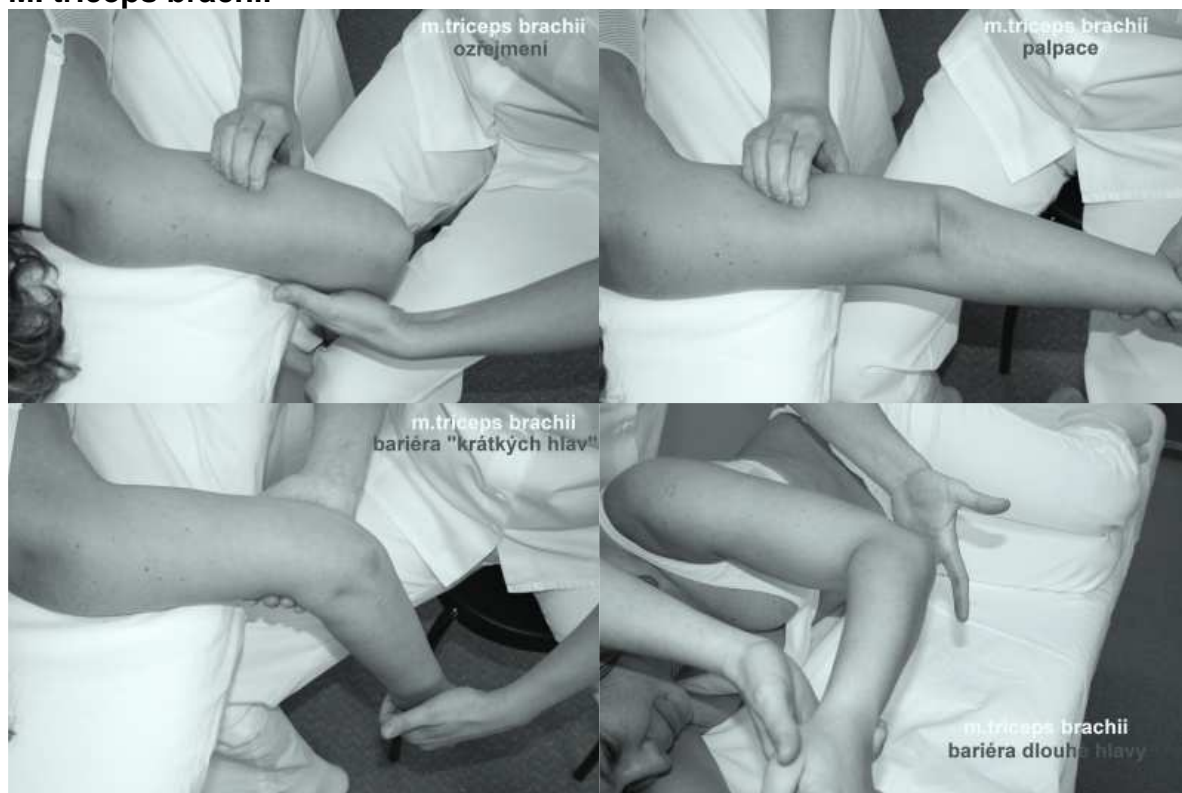

M. supinator

M. biceps brachii

M. triceps brachii

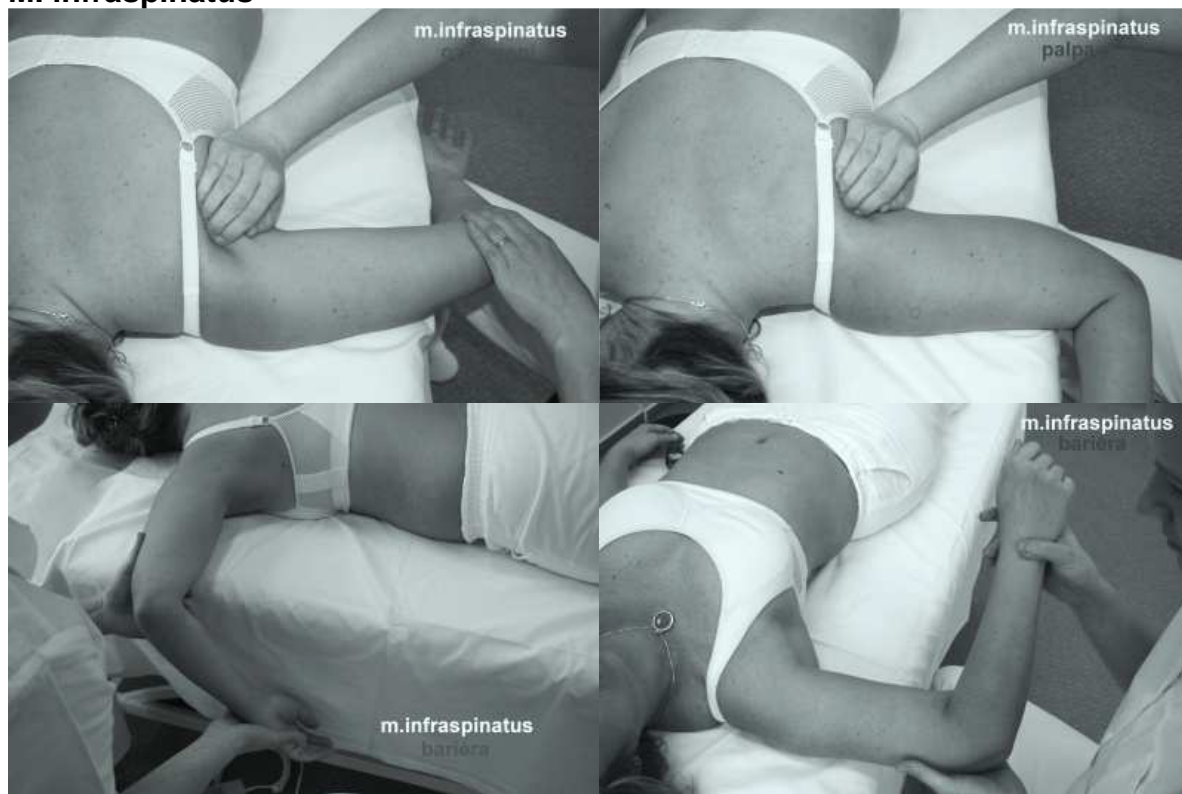

M. coracobrachialis

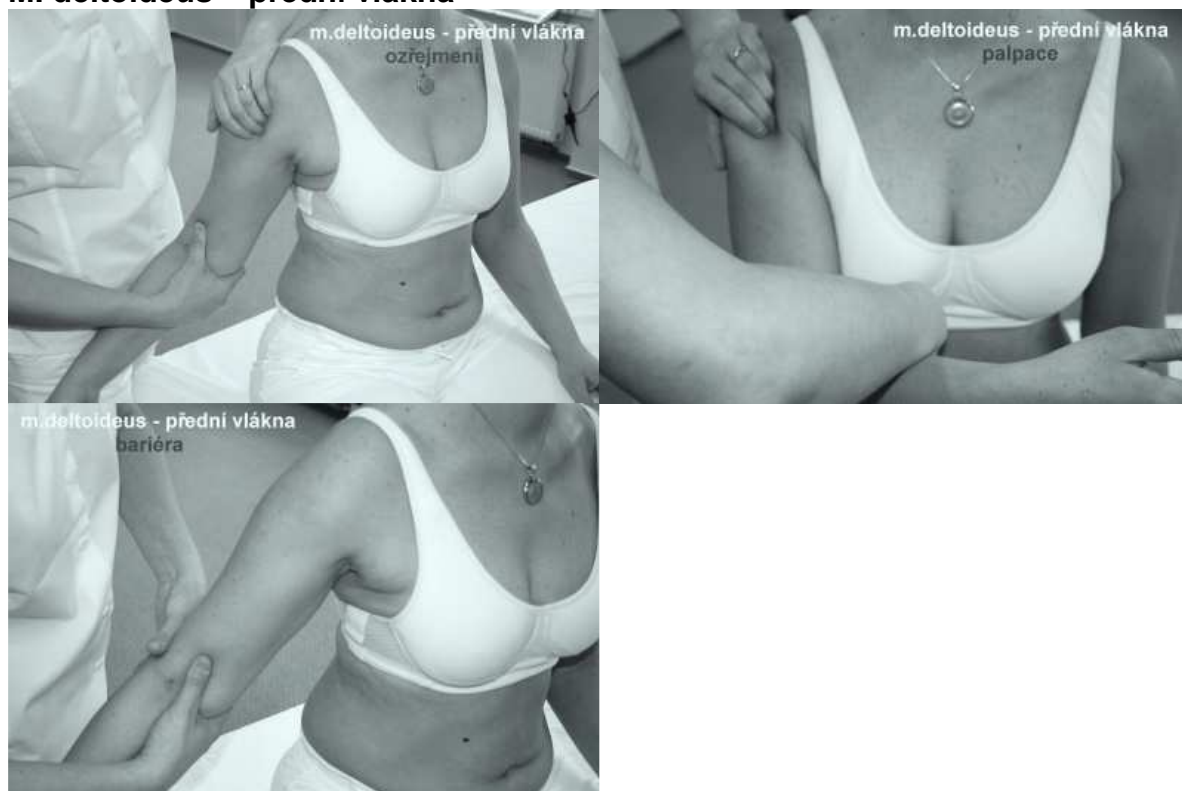

M. supraspinatus

M. infraspinatus

M. deltoideus – přední vlákna

M. deltoideus – zadní vlákna

M. subscapularis

M. teres minor

M. teres maior

M. pectoralis minor

M. pectoralis maior

M. latissimus dorsi

Mm. rhomboidei
