OH-BAMA!

Nampa-AP

THANK YOU AMERICA! ... US President-elect Barack Obama (left), his wife Michelle Obama (right) and two daughters, Malia and Sasha, wave to the crowd at Obama's election night rally in Grant Park, Chicago, on Tuesday night. Following his historic win, Obama will become the 44th President of the United States.

First baby to be named after Barack?

IS young Barack Obama Hochobeb (pictured here) the first baby in the world to be named after US President-elect Barack Obama? Young Barack's father, Masilo Hochobeb, said his son was born in Windhoek on March 17. "When I saw Mr Obama during the Democratic challenge against Ms Clinton I strongly believed that he

would be the next US President and that it would be worthy to name my first son after him. At no point did I doubt that he would be the first black US President and bring change that we believe in," he said in an e-mail to *The Namibian* yesterday. He also submitted the birth document, which confirms that the baby was named Barack Obama back in March.
