The community's voice from America's playground

# Angora. Burning

A Tribune special report

## Heading home

People can start returning to their homes this morning, but only from North Upper Truckee Road via Highway 50 to Winton Drive.

## TRPA under fire

Some say regulations — fueled by politics — have prevented homeowners from removing trees on their property that present a fire hazard.

## Disaster area

A state declaration of disaster will start the wheels rolling for victims of the Angora fire to receive financial assistance.
