

Pervasive developmental disorders Attention-deficit and disruptive behavior disorders

PSY494P123 Introduction to Assessment
of Developmental Disorders

Hana Hanzlíková, Klára Matuščíková,
Zuzana Moravcová, Tereza Švecová,
Jana Urmanová

Pervasive developmental disorders

= delays in the development of multiple basic functions
including socialization and communication

- Pervasive developmental disorder not otherwise specified (PDD-NOS)
- Autism
- Asperger syndrome
- Rett syndrome
- Childhood disintegrative disorder (CDD)

Attention-deficit and disruptive behavior disorders

ADHD = attention deficit/hyperactivity disorder

- Problems with:
 - inattention; hyperactivity and impulsiveness; combination of the two
