THE
BASICS
OF SEARCH

Google Scholar

GOOGLE SCHOLAR

GOOGLE SCHOLAR

- *Google Scholar* provides a simple way to broadly search for scholarly literature.
- You can search across many disciplines and sources:
 - articles, theses, books, abstracts, from academic publishers, professional societies, online repositories, universities and other web sites.

<http://scholar.google.com/>

EXERCISE

GOOGLE SCHOLAR

○ **EXERCISE:**

- Perform a simple search for *psychopharmacology* on Google Scholar

The logo for Google Scholar, featuring the word "Google" in its multi-colored font followed by the word "Scholar" in a grey sans-serif font.

- How many of the results do you consider as “**scientific information**”?

GOOGLE SCHOLAR

- *Partial Match*

- This is the kind of search we usually use by “default”

GOOGLE SCHOLAR

○ *PageRank*

- It's Google's **algorithm** that assigns a numerical weighting to each element of a hyperlinked set of documents with the purpose of "measuring" its relative importance within the set.

This is the reason why some documents appear first than others.

GOOGLE SCHOLAR

○ PageRank

eating disorders

About 1,370,000 results (0.05 sec)

[Assessment of **eating disorders**: Interview or self-report questionnaire?](#)

[CG Fairburn](#), [SJ Beglin](#) - ... [Journal of Eating Disorders](#), 1994 - [Wiley Online Library](#)

Abstract A detailed comparison was made of two methods for assessing the features of **eating disorders**. An investigator-based interview was compared with a self-report questionnaire based directly on that interview. A number of important discrepancies ...

[Cited by 1535](#) [Related articles](#) [All 6 versions](#) [Cite](#)

[Eating disorders](#)

[CG Fairburn](#), [PJ Harrison](#) - [The Lancet](#), 2003 - [Elsevier](#)

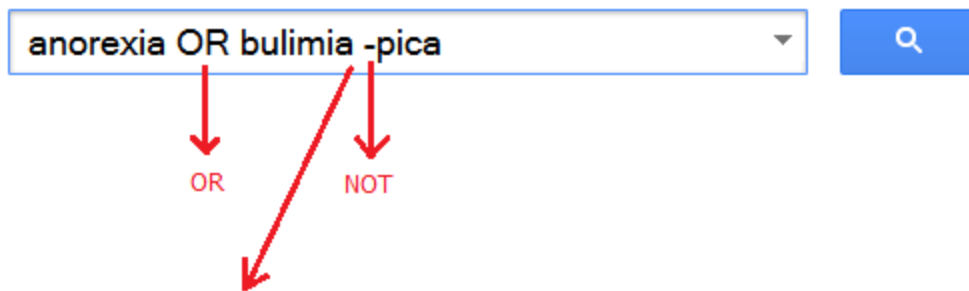

Eating disorders are an important cause of physical and psychosocial morbidity in adolescent girls and young adult women. They are much less frequent in men. **Eating disorders** are divided into three diagnostic categories: anorexia nervosa, bulimia nervosa, ...

[Cited by 3190](#) [Related articles](#) [All 21 versions](#) [Cite](#)

GOOGLE SCHOLAR

○ Boolean Search

- A Boolean search uses “operators” (AND, OR , NOT)

If there is nothing else between terms, Google will interpret it as "AND"

GOOGLE SCHOLAR

- ***Exact Match***

- Use ***quotation marks*** to search for exact terms

GOOGLE SCHOLAR

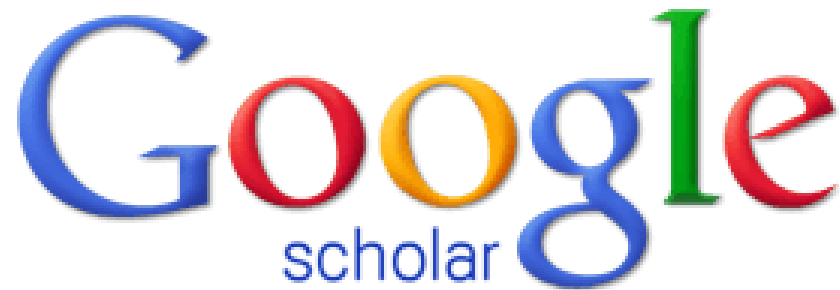

- **Search the title of the document**
 - Use the operator *intitle:*

GOOGLE SCHOLAR

- ***Search by author***

- Use the operator ***author:***

GOOGLE SCHOLAR

- *Search by author (exact match)*
 - **Combine** the operator *author* with *exact match*:

GOOGLE SCHOLAR

- ***Search by author (exact match and Boolean operator)***
 - Combine the operator ***author*** with ***exact match*** and a ***Boolean operator***:

author:"**tg masaryk**" OR author:"**Tomáš Garrigue Masaryk**" OR
author:"**Tomáš Masaryk**" OR author:"**Tomáš G Masaryk**"

GOOGLE SCHOLAR

- **Search by publication**

Find articles ✕

with **all** of the words

with the **exact phrase**

with **at least one** of the words

without the words

where my words occur

Return articles **authored by**
e.g., "PJ Hayes" or McCarthy

Return articles published in
e.g., J Biol Chem or Nature

Return articles **dated between** —
e.g., 1996

GOOGLE SCHOLAR

- ***Search by publication***

NOTE: Google suggests you the journal's abbreviated name

Return articles published in

e.g., *J Biol Chem* or *Nature*

GOOGLE SCHOLAR

- *Search by publication*

NOTE: You can search a journal's abbreviation in the **NLM Catalog**

NLM Catalog: Journals referenced in the NCBI Databases

Limit your NLM Catalog search to the subset of journals that are referenced in NCBI database records

Enter topic, journal title or abbreviation, or ISSN:

[Advanced Search](#)

Search

Author(s): European Association of Psychological Assessment

NLM Title Abbreviation: Eur J Psychol Assess

ISO Abbreviation: Eur J Psychol Assess

<http://www.ncbi.nlm.nih.gov/nlmcatalog/journals>

GOOGLE SCHOLAR

- *Search by publication*

NOTE: Google scholar may also accept the journal's **ISSN**

ISSN: 1015-5759 (Print)
2151-2426 (Electronic)
1015-5759 (Linking)

GOOGLE SCHOLAR

- ***Search by publication***

- You might combine your search:

OPTION 1:

"European Journal of Psychological Assessment" **OR** "Europ J Psychol Assessm"

OPTION 2:

1015-5759 **OR** 2151-2426

Google

A 3D rendering of the word "Google" in its characteristic multi-colored font. The second letter, 'o', is replaced by a black graduation cap with a gold tassel. The letters are rendered with a slight shadow, giving them a three-dimensional appearance.

READINGS FOR THE NEXT CLASS:

(1) *Finding sources of information: Electronic databases* (Lenburg, 2010)

(2) *Finding the evidence* (Wilczynski & McKibbon, 2013)

(3) *Locating the best available research* (Norcross, Hogan, & Koocher, 2008) *(optional)*

ASSIGNMENT:

According to your research question, *make a list of databases* that you will use to find information.
