Analyzing mass media

1. Figures
Speeches, poses, actions
2. Where is the story? What happens?
3. „Solving the problem“. What will/should happen next?
4. Ordering of narratives, posing „talking heads“
5. What is NOT present?
6. Further comments

General (discursive) description

- People
- Populations
- Places
- World systems
- Official documents

World research view
What is present/relevant?
