

European Union Public Policy

Professor John Wilton

Lecture 5

Policy implementation

European Union Public Policy

Lecture 5

Categories of difficulties:

- territorial and institutional differentiation;
- questions relating to structure and agency

European Union Public Policy

Lecture 5

1. The issues and problems arising from territorial and institutional differentiation
 - ‘long chain’ of increasing decision points in policy implementation
 - a) additional institutional bodies of the E.U.
 - tensions between E.U. institutions
 - b) territorial basis/nature of E.U.
 - tensions between E.U. institutions and Member state institutions (national, regional, city, town, local)

European Union Public Policy

Lecture 5

2. Questions relating to structure and agency

- a) inter-institutional relationship within the E.U.;
- b) inter-institutional relationship between E.U. institutions and policy implementing institutions of national Member states

European Union Public Policy

Lecture 5

Agency – ‘role of the individual’

- increased policy implementation ‘actors’ at increased decision points
- increased opportunities to re-fight battles lost in the policy formulation stage
- the problems of rigidity and flexibility

European Union Public Policy

Lecture 5

E.U. public policy implementation:

- a) faces many difficulties/ by no means perfect;
- b) transfer E.U. law into Member state law imperfect;
- c) implementation interpretation issues;
- d) institutional policy implementation issues;
- e) cultural institutional implementation interpretation issues;
- f) inadequate E.U. implementation monitoring
