

Anonymous Group Evaluation: Your assessment will not be shared with your group members

YOUR NAME: _____

Please list your group members and assign a grade (out of 100) to each member (including yourself) according to your impression of the work they did in facilitating your discussions, fully participating in said discussions, generating ideas therein, and engaging the assignment (i.e. the three discussions) meaningfully, seriously, and competently. Honest assessments will remain anonymous and be most appreciated.
