Global Security

Homework

- How polarized are the societies you live in/come from?
- What moral values, if any, undergird the opposing sides?
- What issues are important to you and how could you convince someone of your point of view?

Student Presentation

- Sergey – The role of international institutions

Globalization

How does globalization affect your life on a daily basis?

Does globalization contribute to the promise of a more peaceful world, or does it contribute to a more turbulent and perilous global system?

Globalization

vs.

sovereignty

Globalization vs. sovereignty

Is globalization eroding state sovereignty?

Why or why not? Examples?

Global politics is basically anarchic.

We're ruled by the law of the jungle.

The limits of international law
