

FINAL WRITTEN ASSIGNMENT:
AN INTRODUCTION TO SOCIOLINGUISTICS

DEADLINE: 30 June 2021

EXTENT: ca. 5 pages (ca. 1500 words)

FORMAT: report/article

use appropriate citation formats: either [APA](#) or [MLA](#) styles
avoid [plagiarism](#) (read about the [best practices](#) to avoid it)

LANGUAGE: academic writing style (overview is [here](#))

CONTENT:

Introduction: description of the text/video/audio, underlying sociolinguistic theory, theoretical approach/framework plus reasons for using it

Main Part: analysis with a clear structure with reasons for the gained insights and used approaches; at least 2-3 citations or paraphrases from literature (books on sociolinguistics in IS MU), link the citations and paraphrases so that your writing makes sense and reads well.

Conclusion: summary of the most important information plus answering the following question – “What do the insights gained from the analysis reveal to us?”

SUBMISSION:

upload the written analysis into the Information System of Masaryk University:
