3. Please answer the teacher's question.

What activities would you include next time? Is there anything that you have missed?

I enjoy the discussion activities in the beginning of the lessons also thank you very much for the refreshments you prepared today

I would like to have maybe a little more time for the warm up and all of the group discussion. As today I felt like the Culture discussion could be longer, because there was a lot to talk about.

I wouldn't mind more of activities about intercultural topics

next time: session about how to do pecha kucha presentation?

i would like to know some info about pecha kucha session

i suggest an open debate

i missed more time for questions to posters

:)
