

## BIO JANA KOVAČOVSKÁ

Jana is a Senior Associate at Mustard Seed, a London-based early stage venture capital firm, focused on investments in companies that generate positive social or environmental outcomes alongside compelling financial returns. At Mustard Seed, Jana is on the investment team and leads portfolio management.

Previously, Jana was a consultant at McKinsey & Company, where she worked several sectors (telco, consumer goods, healthcare, education, financial institutions), functions (operations, strategy, organization, marketing & sales), and geographies (UK, Malaysia, 5+ countries in CEE).

Jana holds Bc. and Mgr. degrees from FSS MU and an M.A. in Applied Statistics from Columbia University, where she was as a Fulbright scholar.
