

## BIO ZUZANA MJARTANOVÁ

Zuzana Mjartanová works as a Specialist of European Regulation in the Public Affairs department of the CEZ Group. Her main focus is electricity market design and foreign regulation, especially in Poland and Germany.

Prior to her assignment in CEZ, she worked in Unit of International Cooperation in Energy at the Ministry of Industry and Trade of the Czech Republic. As a part of her duties, she represented the Czech Republic in international energy organisations and was responsible for the Czech Presidency of the Visegrad Group and the Czech-German Strategic dialogue.

In the first half of 2016, she participated at preparations of the Slovak Presidency in the Council of the EU at the Ministry of Economy of the Slovak Republic.

Zuzana studied Area studies / German and Austrian studies at the Charles University in Prague. She plays flute, guitar, badminton, goes jogging from time to time and really likes books on modern history and politics.
