## The PROCESS macro for SPSS and SAS

**Take a workshop from Andrew F. Hayes on the use of PROCESS. Currently scheduled workshops that are open to the public can be found below**

**Mediation and Moderation Analysis.** This is a two-day introductory-level course on moderation and mediation analysis with an emphasis on the use of PROCESS. The course will be held at the **University of Limerick** in **Limerick, Ireland**, October 9-10, 2015 and is offered through Statistical Horizons. Details and enrollment information will be available on the [Statistical Horizons](#) page.

**Mediation and Moderation Analysis using PROCESS: A Second Course.** This is a continuation of the the two-day introductory course and will be taught November 13-14, 2015 in Philadelphia. Details and enrollment information are available [here](#) on the [Statistical Horizons](#) page. It is assumed that participants have already have been exposed to the fundamentals as discussed in *Introduction to Mediation, Moderation, and Conditional Process Analysis (Hayes, 2013)* through their own reading or prior coursework, such the two day introductory course.
