

WEEK 8 READING REACTION: FANTASY THEME ANALYSIS

Note: Required word count for all answers in total: 250 – 300 words

Due: Thursday, Nov. 8, end of day

1. There were some complex ideas presented this week. What did you find interesting, and why? What did you find confusing, and why?
2. Now that you've studied metaphors, semiotics, and narratives, what did you find in FTA that had some relationship to any (or all) of those theories? Please explain.
3. Review your own social media experience and its visual messaging. Can you find any evidence of fantasy theme chaining? If not (or alternatively), search for memes about a current issue, cultural interest, or political figure and look for evidence of fantasy theme chaining.

Explain your findings.
