Alex: I don't know, I'm the sort, I don't really struggle to make friends cos everyone tells me I've got a big mouth, and I don't stop talking [laughs]

Tom: So is that how, is that how you met just, just through you striking up a conversation?

Alex: I don't know, I'm the sort, I don't really struggle to make friends cos everyone tells me I've got a big mouth, and I don't stop talking [laughs] I'm trying to think exactly [laughs] I think that's what it was, we were both in the same research methods class ...
