

- 1) *The human dignity as a legal concept seems ambiguous. Give some example of such duality.*
- 2) *The dignity, according to human rights law, is the ground of rights. Does this mean the dignity is a moral ideal that serves as an extralegal grounding for human rights?*
- 3) *Explain briefly James Griffin's account of dignity.*
- 4) *In what sense do we place a high value on human dignity?*
- 5) *How does Ronald Dworkin understand the concept of dignity?*
- 6) *Explain briefly Kant's account of dignity.*
- 7) *What is the foundation of Catholic teaching on human dignity?*
- 8) *What did Gregory Vlastos say about the rank in modern society?*
- 9) *How can we justify the prohibition of discrimination through human dignity?*
- 10) *How does human dignity relate to the so-called inner morality of law?*
- 11) *Why are hearings and argumentation so important?*

**Summarizing question:** Explain briefly Waldron's theory of dignity.
