AGREEMENT¹ BETWEEN DENMARK, FINLAND, ICELAND, NORWAY AND SWEDEN AMENDING THE NORDIC CONVENTION OF 7 NOVEMBER 1933² REGARDING BANKRUPTCY

The Governments of Denmark, Finland, Iceland, Norway and Sweden have agreed that article 10 of the Nordic Convention of 7 November 1933² regarding bankruptcy shall read as follows:

“Article 10

Judgements and settlements concerning the annulment or extinguishment of rights in the case of bankruptcy declared in one of the States shall be recognized and enforced in any other Contracting State in accordance with the law of that State.

Judicial decisions given in any one of the States for the purpose of confirming a composition with creditors shall also apply in the other States.

The foregoing provisions shall apply irrespective of the fact that the bankrupt possesses property in the territory of only one of the Contracting States.”

The Contracting States may participate in this Agreement by

- (a) Signing it without reservation as to ratification, or
- (b) Signing it subject to ratification and with subsequent ratification.

The instruments of ratification shall be deposited with the Danish Ministry of Foreign Affairs.

The Agreement shall enter into force on the first day of the month following the expiry of a two-month period from the date of participation by three States; and it shall apply to bankruptcy and public composition negotiations, without bankruptcy, initiated after its entry into force. With respect to Contracting States acceding to the Agreement at a later stage, the Agreement shall enter into force two months after such State has acceded thereto.

The Danish Ministry of Justice may, after negotiations with the Ministries of Justice of the other Contracting States, decide that the Convention of 7 November 1933, as subsequently amended, shall also apply to the Faeroe Islands and Greenland. For the purpose of application of the Convention to the Faeroe Islands and Greenland, the Danish Ministry of Justice may, subject to the same procedure, prescribe such exceptions as may be required by the particular conditions in the Faeroe Islands and Greenland.
