

FDI Moot 2010
Pepperdine University School of Law
22-24 October 2010
HOTEL INFORMATION

We suggest you rent a car at the airport (LAX). Los Angeles is definitely a driving city. Pepperdine is a forty-minute drive from the airport (without traffic). Public transportation to Malibu is extremely limited.

Competition Hotel:

We have contracted for 35 rooms with the **Sheraton Delfina Hotel** (<http://www.sheratondelfina.com>) in Santa Monica a rate of \$199.00 a night, single or double rooms, for the dates of October 20-25. When you call reservations, please refer to: **FDI Competition-Pepperdine**. The phone number is: 888.627.8532.

We also recommend four hotels here in Malibu: Casa Malibu (no website) 310/456-2219, Malibu Beach Inn (www.malibubeachinn.com) 310/456-6444, The Malibu Motel Inn (www.the-malibu-motel.com) 310/456-6169, and the Malibu Country Inn (<http://www.malibucountryinn.com>) 310/457-9622. Casa Malibu, Malibu Beach Inn, and Malibu Motel are five minutes away from Pepperdine University, while the Malibu Country Inn is six miles north of the campus located right next to Zuma Beach (it's a great beach for dolphin watching). All these hotels are small in size (15-25 rooms). For information about the Malibu area, please check: <http://www.malibu.org>.

Some of you may choose to stay in the Santa Monica/West Los Angeles area, which is approximately 20 minutes from Malibu via the Pacific Coast Highway. Check out the Santa Monica area at <http://www.santamonica.com>. Both the Malibu and Santa Monica web sites provide helpful information on accommodations, dining and recreation.

Another area some may want to stay is the Calabasas/Agoura Hills/Woodland Hills communities. This area is more suburban in nature. Many of the Pepperdine students live in this area in apartments and condos. The most economical accommodation is the Goodnite Inn, 26557 Agoura Road in Calabasas. The Inn has a Pepperdine rate of \$53.00 a night. Even if rooms are filled up at that rate, they still offer excellent prices. Phone: 818.880.6000. <http://www.goodnite.com/Calabasas/index.html>.

Pepperdine has a web site that lists hotels in all these areas: <http://law.pepperdine.edu/student-life/malibu/hotels.htm>

We all look forward to seeing you in Malibu!
