

LEGISLATION ON TRADE IN ENDANGERED SPECIES OF WILD FAUNA AND FLORA

Iлона Jančářová

INTERNATIONAL BACKGROUND

- ☞ Convention on the international trade in endangered species of wild flora and fauna Washington D.C. 1973

EU LEGISLATION

- ☞ CITES
- ☞ Seals
- ☞ Cetaceans
- ☞ Fury animals

EU LEGISLATION

CITES:

- ☞ Council Regulation (EC) No **338/97** on the **protection of species of wild fauna and flora by regulating trade therein**, as amended
- ☞ Commission Regulation (EC) No 865/2006 laying down **detailed rules** concerning the implementation of Regulation 338/97
- ☞ Commission implementing Regulation (EU) **2017/1915** **prohibiting the introduction into the Union of specimens of certain species of wild fauna and flora**

EU LEGISLATION

Seals:

- ☞ Council Directive **83/129/EEC** of 28 March 1983 concerning the importation into Member States of skins of certain seal pups and products derived therefrom (Am.89/370)
- ☞ Regulation (EC) **1007/2009** of the European Parliament and of the Council of 16 September 2009 on trade in seal products.

EU LEGISLATION

Cetaceans

- ☞ Council Regulation (EEC) No 348/81 of 20 January 1981 on common rules for imports of whales or other cetacean products

EU LEGISLATION

Fury animals

- ☞ Council Regulation (EEC) No 3254/91 **prohibiting the use of leghold traps** in the Community and the introduction into the Community of pelts and manufactured goods of certain wild animal species originating in countries which catch them by means of leghold traps or trapping methods which do not meet international humane trapping standards
- ☞ Commission Regulation (EC) No 35/97 of 10 January 1997 laying down provisions on the **certification of pelts and goods** covered by Council Regulation (EEC) No 3254/91

Regulation (EC) No 338/97

4 different protection regimes:

- ☞ Annex A - corresponds to Appendix I of CITES
- ☞ Annex B - Appendix II of CITES
- ☞ Annex C - Appendix III of CITES
- ☞ Annex D - contains species which are not listed in CITES Appendices

wider scope than CITES

Regulation (EC) No 338/97

- ☞ **'Specimen'** shall mean any animal or plant, whether *alive or dead*, of the species listed in Annexes A to D, *any part or derivative thereof, whether or not contained in other goods*, as well as any other goods which appear from an accompanying document, the packaging or a mark or label, or from any other circumstances, to be or to contain parts or derivatives of animals or plants of those species, unless such parts or derivatives are specifically exempted from the provisions of this Regulation or from the provisions relating to the Annex in which the species concerned is listed by means of an indication to that effect in the Annexes concerned.

Regulation (EC) No 338/97

- ☞ 'trade' shall mean the introduction into the Community, including introduction from the sea, and the export and re-export therefrom, as well as the use, movement and transfer of possession within the Community, including within a Member State, of specimens subject to the provisions of this Regulation;

- ☞ 'transit' shall mean the transport of specimens between two points outside the Community through the territory of the Community which are shipped to a named consignee and during which any interruption in the movement arises only from the arrangements necessitated by this form of traffic;

Regulation (EC) No 338/97

Introduction into the EU of specimens of species listed in Annex A

- ☞ Import permit:  
- ☞ Export permit or re-export certificate
- ☞ Introduction would not have harmful effect on the conservation status of species
- ☞ Accommodation for a live specimen is adequately equipped
- ☞ The specimen is **not used for primarily commercial purposes**
- ☞ The risk of injury, damage to health or cruel treatment will be minimized

Regulation (EC) No 338/97

Introduction into the EU of specimens of species listed in Annex B

- ☞ Import permit: 
- ☞ Export permit or re-export certificate
- ☞ Introduction would not have harmful effect on the conservation status of species
- ☞ Accommodation for a live specimen is adequately equipped
- ☞ The risk of injury, damage to health or cruel treatment will be minimized
- ☞ The specimen may be used **for commercial purposes!**

Regulation (EC) No 338/97

Introduction into the EU of specimens of species listed in **Annex C**

☞ Import notification

☞ Export permit / re-export certificate / certificate of origin

Regulation (EC) No 338/97

Introduction into the EU of specimens of species listed in **Annex D**

☞ import notification

Regulation (EC) No 338/97

Export or re-export from the EU

☞ Export permit/re-export certificate

Conditions:

- ☞ No harmful effect on the conservation status
- ☞ Specimens were legally obtained
- ☞ Risks of injury during the shipment are minimized
- ☞ Other requirements are met

Derogations from conditions (Art. 5(6))

Regulation (EC) No 338/97

Derogations (Art. 7)

1. Specimens born and bred in captivity or artificially propagated
2. Transit
3. Personal and household effects
4. Scientific institutions

Regulation (EC) No 338/97

Other requirements:

- MS have a **duty** to prohibit the purchase, offer to purchase, acquisition for commercial purposes, display to the public for commercial purposes, use for commercial gain and sale, keeping for sale, offering for sale or transporting for sale of specimens of the species listed in Annex A
- MS **may** prohibit the holding of specimens
- Derogation from the prohibition based on certificate (Art. 8(3))

Regulation (EC) No 338/97

Other requirements

- Movement of live specimens within the EU based on prior authorization
- Designation of custom offices
- Notification/reporting requirements (to the Commission)
- Duty to designate management authority with primary responsibility for implementation of this Regulation and for communication with the Commission
- Duty to designate one or more scientific authorities with appropriate qualifications

Regulation (EC) No 338/97

Enforcement

- ☞ duty to monitor and ensure compliance
- ☞ take appropriate measures to ensure the imposition of sanctions for infringements of the Regulation

- ☞ seizure/confiscation of specimens
- ☞ refusal to accept the shipment and return of the specimen to its place of departure
- ☞ fine
- ☞ **illegal trade in endangered species is a crime!**

SEALS REGULATION

- ☞ Council Directive 83/129/EEC concerning the importation into Member States of skins of certain seal pups and products derived therefrom
- ☞ Regulation (EC) No 1007/2009 of the European Parliament and of the Council on trade in seal products.

- ☞ harmonize existing national rules regarding the placing on the European Union (EU) market of seal products
- ☞ protection of certain seal species
- ☞ protection of seal pups against non-traditional hunting.

Regulation (EC) No 1007/2009

- ☞ **Seal** - specimens of all species of pinnipeds.
- ☞ **Seal product** - all products, either processed or unprocessed, deriving or obtained from seals, including meat, oil, blubber, organs, raw fur skins and fur skins, tanned or dressed, including fur skins assembled in plates, crosses and similar forms as well as articles made from seal fur skins.
- ☞ **Inuit** - indigenous members of the Inuit homeland, namely those arctic and subarctic areas where Inuit have aboriginal rights and interests, recognised by Inuit as being members of their people.

Regulation (EC) No 1007/2009

Prohibition of the trade in seal products

The marketing of seal products is only allowed when they:

- ☞ result from seal hunts traditionally conducted by Inuit and other indigenous people
- ☞ result from by-products of hunting that is regulated by national law, undertaken solely for the purpose of the sustainable management of marine resources.
- ☞ the placing on the market is only allowed on a non-profit basis.

Regulation (EC) No 1007/2009

The import of seal products for non-commercial reasons is allowed where:

- ☞ it is of an occasional nature and consists exclusively of goods for the personal use of travelers or their families.

Reporting requirements

WHALES REGULATION

Regulation (EEC) No 348/81 on common rules for imports of whales or other cetacean products

Conservation of cetacean species

- ☞ restrictions on international trade
- ☞ licences for products listed in the Annex
- ☞ products to be used only for non commercial purposes

LEGHOLD TRAP REGULATION

☞ Regulation 3254/91

☞ to abolish the use of legholds traps to catch and kill certain species of animals

☞ Annex I - list of species (beaver, otter, wolf and others)

☞ prohibition of introduction into the EU of the pelts of the animal species listed in Annex I
