

VSAJ0222 Medical English  
Spring Semester 2012  
Presentations  
*Formal Requirements*

**Topic** to be decided by speakers

**Media** any media you feel comfortable with  
(computer, handouts, board, CDs or any combination)

**Speakers**

A. prepare questions for your audience – to be asked at the beginning or end

- if asked at the beginning, you will check them at the end, audience makes notes while listening to you
- you may have questions as an emergency instrument in case your colleagues have no questions during or after your talk

B. to make your talk more interesting  
(*games, crosswords, matching exercises, pictures*)

OPTIONAL: prepare for *pre-teaching* terminology/expressions  
(key words you expect your listeners don't know ; expressions and concepts that are difficult to understand)

**Audience** prepare for asking questions and to discuss ideas

Feedback

**Length** 30 minutes including discussion

**Topic** **Essential requirement: topic USEFUL/RELEVANT/INTERESTING**

- an issue important in your Czech classes
- your medical interests
- work experience in hospital/old people's home
- medical topic you enjoy to talk about
- your possible future specialism
- an effective learning techniques in medical subjects
- ANY topic linked with medicine, see the list in Teacher's Folder
