

HOME ASSIGNMENT FOR WEEK 10

TASK 1: Having considered phrases used by paramedics at the site of emergency when arriving on the scene and (2) leaving the scene (handout homework 7 April, 2014), could you please type them down in a *word document* and send them via email to rbednar@med.muni.cz

TASK 2: I would like to ask you if you could kindly type down any sources that you use to work on your paramedical English (internet, books, films, talkshows, series etc.), for example internet series such as youtube's London Ambulance at

<http://www.youtube.com/watch?v=2C1fXcd4en0>

or Australian series on paramedical recruits at

<http://www.youtube.com/watch?v=Vb3KtF5HMxg>

or educational material with podcasts at

<http://www.emseducast.com/archives/1216>

Please, include any tips on how you pick the language from these series / or any of your sources.

Thank you for your notes, tips and phrase lists 😊
