Materials for the course

You find them under the following link:

<https://is.muni.cz/auth/el/1411/jaro2014/BKAJ0222/index.qwarp>

Under *Links/teacher's folder/Malaskova* there are **Reading** which you read before the lesson and bring the text with you and **Lesson materials** which you print out and bring to the lesson.

Presentations

Topic to be decided by speakers

Media any media you feel comfortable with computer, handouts, board, CDs or any combination

Speakers **A. prepare questions for your audience – to be asked at the beginning or end**

- if asked at the beginning, you will check them at the end, audience makes notes while listening to you
- you may have questions as an emergency instrument in case your colleagues have no questions during or after your talk

B. to make your talk more interesting

games, crosswords, matching exercises, pictures

OPTIONAL prepare for *pre-teaching* terminology/expressions

key words you expect your listeners don't know; expressions and concepts that are difficult to understand

Audience prepare for asking questions and to discuss ideas

Length 15 to 20 minutes + around 5 min for discussion

Topic Essential requirement: topic USEFUL/RELEVANT/INTERESTING

- an issue important in your Czech classes
- your medical interests

- work experience in hospital/old people's home
- medical topic you enjoy to talk about
- your possible future specialism
- an effective learning techniques in medical subjects
- ANY topic linked with medicine, see the list in Teacher's Folder
