

## Discussion boards and notebooks

### Discussion boards

(1) In the syllabus there is a link to discussion thread in every topic. You click the link.

1. Introduction to Information Literacy. Union Catalogues. Interlibrary Loans

Recommended reading from 27. 9. 2010 00:01 to 3. 10. 2010 23:59

[01. Introduction to Information Literacy. Union Catalogues...](#) New posts: none

In scientific work it is most important to have current information in your field and you can obtain it in library system as well about system of libraries in general. In this context you will learn basic terminology also information on interlibrary borrowing that you will certainly find interesting when you need documents.

**The scope of the subject:**

- types and forms of information resources
- libraries system according their services
- MU libraries system
- outline of catalogues

(2) Use the „react“ link to post any questions etc. in the relevant discussion thread.

## Discussion boards and notebooks

### Notebooks

(1) You find comments etc. on your tasks in relevant notebooks. Use this path:  
Student → Information from Notebooks

The screenshot shows a web application interface for a student. On the left, there is a sidebar with a green 'HIGHLIGHT' button and the text 'IS.MUNI.CZ STUDENT users 1383 operations 7758'. The main content area is titled 'Matters Related to the Term Selected -' and contains a list of navigation options. The option 'Information from Notebooks (last modified: 24. 1. 2011 11:30)' is circled in red. Below the list, there is a section titled 'Matters Related to All My Studies'.
