

USEFUL PHRASEOLOGY

1 BREASTFEEDING

2 LABOUR

Task 1 Write down as many as possible the conversation phrases you use when you talk to mothers about breastfeeding and any instructions you give her to teach her to breastfeed and to inform her about any possible problems – basically anything important you need to tell her as a midwife.

Task 2 Write down as many as possible the conversation phrases you use when you talk to mothers before/during/after labour and any instructions you give her.

Preferably, write the phrases in English; if not possible, in Czech.
