

**BKAJ0222 Midwifery English Spring Semester 2015
Academic Presentation**

Topic to be decided

Media any media you feel comfortable

Speakers A. prepare questions for your audience – to be asked at the beginning or end

- if asked at the beginning, you will check them at the end, audience makes notes while listening to you
- you may have questions as an emergency instrument in case your colleagues have no questions during or after your talk

 B. *games, crosswords, matching exercises, pictures*

 OPTIONAL *pre-teaching* terminology/expressions
key words you expect your listeners don't know
expressions and concepts that are difficult to understand

Audience Q&A

 feedback – jury following a set of criteria

Length no less than 10 + 5 minutes

Topic **USEFUL/RELEVANT/INTERESTING**

background reading in English should be done about the topic
and mentioned in the bibliography

Do not

- **READ YOUR PRESENTATION** however, you can have short notes
use your own words

to prepare your presentation – paraphrase, summarize, express differently using synonyms, similar expression

- **FORGET TO INCLUDE YOUR SOURCES IN THE PRESENTATION**
WebPages, books, journals – put them at the end of the presentation

- **overuse VISUALS AND QUANTITY OF TEXT ON THE SLIDES**
they might become distracting

- **SPEAK IN A LOW/QUIET VOICE** every listener in the class needs to hear you

- **FORGET TO PREPARE FOR A DISCUSSION**
prepare possible discussion questions for your audience – just in case ☺
