

Homework for the next lesson

1. Find any video of a presentation (e.g. on youtube, TED TALKS), watch it and write down 5 phrases that can be used while giving a presentation. Bring the link and the phrases to the next lesson and also remember what the presentation was about.
2. Read **ONE** of the texts from the “Reading” in “02_Presentations” (depending on your group) and bring the text with you. Write down (or highlight) two pieces of information from the text you find most important.

Lesson materials

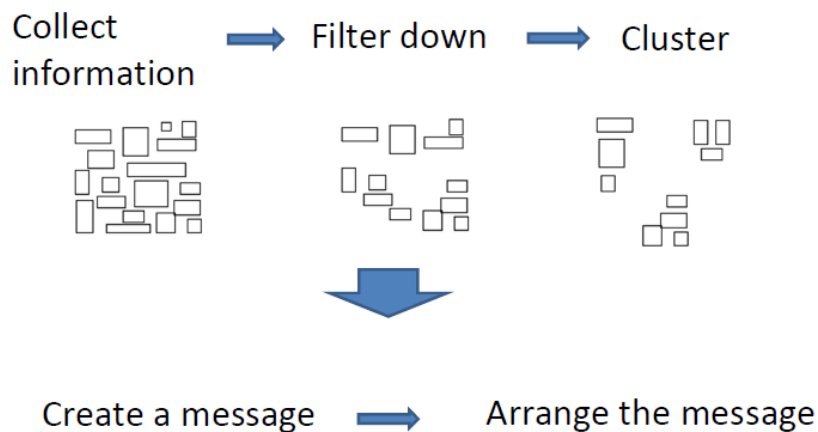

1. Tips for a good presentation

- 1) Talk rather than read.
- 2) Stand up unless you're literally forced to sit.
- 3) Move around, rather than standing still.
- 4) Vary the pitch of your voice. Monotones are sleep-inducing.
- 5) Speak loudly and clearly, facing the audience.
- 6) Make eye contact with the audience.
- 7) Focus on main arguments.
- 8) Use visual aids.
- 9) Finish your talk within the time limit.
- 10) Summarize your talk at the beginning and again at the end.
- 11) Notice your audience and respond to its needs.
- 12) Emulate excellent speakers.

2. Why are these important for creating a good presentation?

TITLE **LECTURE ROOM** **AUDIENCE**
