Talking Medicine U13 vocabulary

Class book p. 81: Datum

The date = the day is expressed by ordinal numbers that have the form of adjectives (dobrý,…) and are used in the Genitive case.

Example: Narodil jsem se **prvního**. = I was born on the first.

The month in the date is expressed either by 1) the ordinal number NOT in the Genitive but in the Nominative (= basic form), or you can use 2) the name of the month.

Example: 1) Narodil jsem se prvního **první**. = I was born on the first of January.

2) Narodil jsem se prvního **ledna**.

Task
1. Complete the chart Datum on the page 81.
2. Write 5 sentences: when you were born, when your parents were born and when other two members of your family were born.

Class book p. 81: Časové prepozice
