# CHILDHOOD

Neonatus

Infans

Pubertas

Adolescens

Adultus

Praesenum

Senium

- Neonatus, i, m = a new-born

- Infans, ntis, m/f = a child

# ADOLESCENCE

Neonatus

Infans

Pubertas

Adolescens

Adultus

Praesenum

Senium

- Pubertas, atis, f = puberty
- Adolescens, ntis, m/f = a maturing woman/man

# ADULTHOOD

Neonatus

Infans

Pubertas

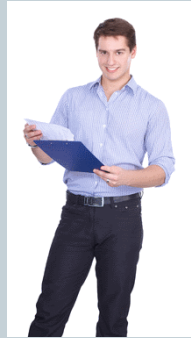

Adolescens

Adultus

Praesenum

Senium

➤ Adultus, i, m = adult

# OLD AGE

Neonatus

Infans

Pubertas

Adolescens

Adultus

Praesenum

Senium

- Praesenum, ii, n = the period before old age (50-60)

- Senium, ii, n = old age
