- FINAL WRITTEN EXAM (May, 18).
- 14th-15th week: DISSECTION PRACTICE.
-

The tuition is finished by an end-of-term examination (ETE) consisting of a WRITTEN and an ORAL part. Passing the examination is conditioned by proper attendance, active participation in practical courses, sitting for Progress Tests and successful passing of written and oral exams. The basic limit for passing all tests is 70%. In case of passing all class tests, which are obligatory for all students, the basic limit in the written exam is reduced by 10%. Without successful passing the written exam students will not be allowed to sit for the oral part!
