Evaluation

a) information part: **30 points**

- one answer = 2 point; 15 answers = 30 points

b) your pronunciation and overall (for all your answers) comprehensibility: scale **1–10 points**

1 – almost incomprehensible, English pronunciation

5 – comprehensible without problems; partially czech pronunciation

10 – perfect pronunciation and comprehensibility

c) grammar and communication (for all your answers): scale **1–10 points**

1 – students answer in one word

2 – students answer in simple sentences (*nominativ + verb + nominativ*)

3 – students use verbs in second person (*pacient se jmenujete*)

...

5 – students use pronouns in second person (about the patient: *zvedá se vám žaludek*)

...

7 – students answer in structured sentences, use correct person and mostly correct cases

...

10 – students answer in almost perfect sentences, minor grammar mistakes possible

- grammar elements that haven't been taught (e. g. most of plural declension) are not part of this evaluation
- using wrong grammar ≠ penalization; using correct grammar = extra points → better grade
