

## ***SE/SI (self) = reflexive pronouns***

- some verbs always have it, they can not exist without SE (*zeptat se, bát se*)
- verbs with object might have it, in two possible ways
- oneself
  - Petr (=subject) myje (= verb) **auto, dítě, okno** (=object, something that is not any way part of Petr)
  - Petr **se** myje = he washes (him)self (SE, **self** = object in accusative)
  - Petr **si** myje **vlasý** (=object) = he washes his hair / lit. *hair to (him)self* (dative)
    - Petr myje **vlasý manželce** (he washes his wife's hair)
- reciprocity: each other
  - verbs with accusative = SE
    - uvidíme se, milujeme se
  - verbs with dative = SI
    - zavoláme si, zatelefonuje si, rozumíme si
