

## Pediatrický pacient

TM U10, p. 72

Work with a partner(s).

- 1) Read a dialogue 1/23 and analyse the text.
  - a) Find and highlight all parts of the body. Note that body parts are not in the usual form. They are in a form that means "small one" and we use it when we talk to very young children.
  - b) Find and highlight all the phrases the student uses 1. to calm and 2. praise the little patient.
  - c) What does the doctor say to distract the small patient? Find the example in the dialogue.
  - d) What is Martin afraid of?
  - e) Write which TY instructions are in the dialog.  
Example: SEDNI SI

- 2) TM p. 74-75), exercise 1, 2, 3, + 4.

3) Pictures. Work with a partner.
