

50.1 Complete the instructions using suitable verbs. Look at Appendix V on page 145 to help you.

- 1 straight ahead and your nose with your right forefinger; then with your left forefinger.
- 2 on the edge of the couch and your legs hang loosely.
- 3 your eyelids tightly.
- 4 all your clothes down to your underwear.
- 5 your chest with your chin.
- 6 slowly and look over your left shoulder.
- 7 on your side.
- 8 looking at me.
- 9 your sleeve.
- 10 the pin, not the light.

DOCTOR: Would you like to get onto the couch and(1) on your back, please? Now I'm going to take your left leg and see how far we can(2) it. Keep the knee straight. Does that hurt at all?

PATIENT: Yes, just a little. Just slightly.

DOCTOR: Can I do the same with this leg? How far will this one go? Not very far. Now let's see what happens if I(3) your toes back.

PATIENT: Oh, that's worse.

DOCTOR: I'm going to(4) your knee. How does that feel?

PATIENT: A little better.

DOCTOR: Now let's see what happens when we(5) your leg again.

PATIENT: That's sore.

DOCTOR: I'm just going to(6) behind your knee.

PATIENT: Oh, that hurts a lot.

DOCTOR: Where does it(7)?

PATIENT: In my back.

DOCTOR: Right. Now would you(8) over onto your tummy? Bend your right knee. How does that(9)?

PATIENT: It's a little bit sore.

DOCTOR: Now I'm going to(10) your thigh off the couch.

PATIENT: Oh, that really hurts.

Now listen to the recording to check your answers.

Task 6

A doctor has been called as an emergency to see a 55-year-old man at home with a history of high blood pressure who has collapsed with a sudden crushing central chest pain radiating to the back and legs. List what you would examine with such a patient.
