

Digestive system - 3

Pictures from MedAtlas version 3,0

Intestinum crassum, (HE), objektiv 2,5×

Appendix – přehled, (HEŠ), objektiv 2,5×

Hepar – lobulus venae centralis, (HE), objektiv 5×

Hepar – area periportalis, (HE), objektiv 20×

Hepar – detail lalůčku, (HE), objektiv 40×

Vesica fellea, (HEŠ), objektiv 2,5×

liver parenchyma

jaterní parenchym

adventitia

adventicie

mucosal folds

slizniční řasy

mucosa

sliznice

**outer muscle
layer**

**zevní vrstva
svalová**

serosa

20 µm

Pancreas – přehled, (HE), objektiv 10×

interlobular
duct

interlobulární vývod

acini

aciny

islets of
Langerhans

Langerhansovy ostrůvky

20 µm

Pancreas – serózní aciny, (HE), objektiv 40×

acini

aciny

centroacinar
cells

centroacinózní buňky

serous cells

serózní buňky

20 µm

Pancreas – vsunutý vývod, (HE), objektiv 40×

intercalated
duct
acini

Pancreas – islet of Langerhans

Pancreas – Langerhansův ostrůvek, (HE), objektiv 40×

blood
sinusoid

cords of
endocrine
cells

Hepar – Kupffer cells

Hepar – Kupfferovy buňky, (trypanová modř), objektiv 40×
