

REVISION - HOSPITAL

TALK FOR 1 MINUTE ABOUT THE
FOLLOWING:

1. Have you ever had to visit a hospital for a broken bone, stitches or something similar? What caused the accident?

2. Name some of the hospital wards or departments.

3. Talk about aids that might help you walk when you come out of hospital.

4. Who are the most important people to work in hospitals?

5. How many times have you been x-rayed? What do you think about the health implications of having lots of x-rays?

6. Explain the following words:

- **deteriorate**
- **stretcher**
- **sling**
- **A and E**

PASSIVE VS. ACTIVE VOICE
