

Test 3, 50 points, PM 35

The test is focused on histories in TM: Rodinná anamnéza, Osobní anamnéza, Sociální anamnéza, Pracovní anamnéza + zdravotní potíže pacienta (TM U6 +U7)

You get the worksheet for answers writing (see the example of worksheet in IS).

You start asking your teacher (= patient) and note down the „patient’s “answers (not the questions). if you do not understand, you can ask once again, the same can do the „patient “so you can repeat your question once if it is incomprehensible or wrong.

After you finish asking and writing, your teacher checks the answers on your worksheet.

Evaluation:

20 questions = each correct one 2 points = 20 points

20 answers = each correct one 1,5 points = 30 points
