Consultations (Monday 11-12, Friday 12-13 - MS Teams, anytime after previous agreement)

# Czech for Foreigners III

Second year students:

-can understand basic vocabulary and phrases related to their immediate specific surrounding, such as personal information, information about their studies and jobs

-are also able to understand the meaning of short, simple notes and messages, read short, simple texts, find specific information in simple materials, and understand short, simple personal letters

-can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar topics and activities

-can use a series of phrases to describe in simple terms their family, educational background and their job

-can write short, simple notes and messages related to matters in areas of their immediate needs and simple letters

-know all basic parts of body in Czech and can use a series of phrases to describe basic symptoms of diseases and aches.

## Passing the subject

- Check Interactive Syllabus: <https://is.muni.cz/auth/el/med/podzim2020/aVLCJ0383/index.qwarp>

Advice:

Use your Czech everywhere.

Speak.

Do your homework.
