

Language Skills E-Learning Assignment 1

Read the review of *New Headway Advanced* and write a short summary about it. In your summary, you should answer the following questions:

What did the author like about the book?

What didn't the author like about the book?

What would you find helpful about this book?

What specific examples does the author use to support his opinions?

What is your overall impression of this book after having read the review?

Your summary should be 250 words (minimum) and sent to LanguageKILLS@seznam.cz
