

Essay essentials

- cover page (with your name, date and title of the essay); all other information are optional
- page format according to MLA standards
- page format: double space, font 12"
- don't forget to cite and produce the Works Cited page
- write at least five double spaced pages
- give your essay to a colleague for a peer review
- incorporate suggestions of your reviewer to your essay
- answer the reviewer's questions at the end of your essay

Peer review essentials:

- read the essay
- give suggestions concerning language and style (at least one paragraph)
- give suggestions concerning the topic and content of the essay (at least one paragraph)
- ask three questions about the topic (which are not answered in the essay)
