

Below you can see which groups you should focus on in your future moderating. That does not mean you are not allowed to enter the other DF and join the discussions there. Your main responsibility from now on, however, lies with the following forums, where you should (apart from other activities) evaluate the students' contributions.

If you have no group assigned to you because you stopped working in ETAS for some time, or have not started yet but still want to continue, let me know.
