That night Frimme Hersh
confronted GOD...

graphic novel!

“I had finally settled on the term ‘graphic novel’ as an adequate euphemism [for comic book], but the class I teach is called ‘sequential art’ — and of course that’s what it is — a sequence of pictures arranged to tell a story.”

"Congressman John Lewis has been a resounding moral voice in the quest for equality for more than 50 years, and I'm so pleased that he is sharing his memories of the Civil Rights Movement with America's young leaders. In *March*, he brings a whole new generation with him across the Edmund Pettus Bridge, from a past of clenched fists into a future of outstretched hands."
