sports	Thi LITTLE	VACLAV KORBEL

Prepare one news item of your choice:

- it can be an authentic text
- it can be your own text
- timing = 20 – 30 sec max
- listen to real news broadcasting to get the feeling of news reading first, then practise and rehearse your own text (make sure you get the timing right); if possible try and record yourself
- the final reading will take place in the 2nd block.
