About Us

FCSF serves a vital and growing need throughout Georgia by providing free clothing, infant equipment and developmental toys to thousands of children in foster and relative care. Foster Care Support Foundation (FCSF) needs your financial support to meet the needs of thousands of children in foster care and relative foster care, including grandparents raising grandchildren this year. \$850,000 is needed this year to maintain the Foster Care Support's program and continue to provide free basic care items to our children of abuse and neglect. Donations will also support the Hope 4 Tomorrow Mentoring program that partners responsible adults with teens needing guidance and someone to call their friend and guide them through their teen years. Foster Care Support has been in operation for 18 years and has served over 50,000 children with free clothing, toys, school supplies and safe infant care items throughout every county in GA. We are able because you care! For sponsorship opportunities, please email info@fostercare.org or call 770-644-0504.
