

Final: Self-Evaluation

Integrating Art, Music, and Drama into the Curriculum

This is an evaluation of your learning and performance in this class. Please answer the following questions and feel free to add information that might help me to understand your learning in our class.

1.How satisfied are you with your efforts in this course? Have you completed all projects successfully? Did you give your best effort? Please explain the project you most enjoyed creating.

2.Did you contribute some ideas and suggestions to our conversations?

3.Did you receive materials that helped you to reach the goals of designing and completing Art, Music, and Drama teaching tools? What additional materials might be helpful?

4.Did you receive ideas about using your Art, Music, and Drama creations in your classroom?

5.What are 3 understanding you now have regarding integrating the arts into the curriculum?

6.What are 3 positive emotions you felt in our class?

7.What challenges or obstacles prevented you from accomplishing your goals in our class?

8.Please identify what you consider to be the major strength of this course?

9.What suggestions would you make for improving our class?

10.What advice would you give to another student who is considering taking this course?

11.Create one question about our class and answer it.
