

Russians

Sting

In Europe and America there's a growing feeling of **1**.....
Conditioned to respond to all the threats
In the rhetorical speeches of the Soviets

Mister Krushchev said, "We will bury you"
I don't subscribe to this point of **2**.....
It'd be such an ignorant thing to do
If the Russians love their children too

How can I save my little boy from **3**.....'s deadly toy?
There is no monopoly on common sense
On either side of the political fence

We share the same biology, regardless **4**..... ideology
Believe me when I say to you
I hope the Russians love their children too

There is no historical precedent
To put the words in the mouth of the president?
There's no such thing as a **5**..... war
It's a lie we don't believe anymore

Mister Reagan says, "We will protect you"
I don't subscribe to this point of view
Believe me when I say to you
I hope the Russians love their children too

We share the same biology, regardless of ideology
But what might save us, me and you
Is if the Russians love their children too
